Innovate your world

ROY ENTERPRISES

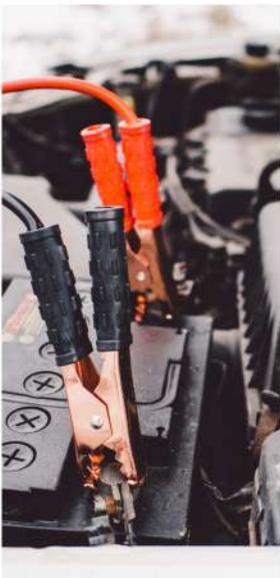

INNOVATE YOUR WORLD

YOUR TRUSTED PARTNER

IN POWER, ENERGY, IT, SECURITY & RENOVATION SOLUTIONS

www.royenterprises.net

Company Overview

Roy Enterprises is a trusted name in the field of power backup, renewable energy solutions, solar lights, security systems, passive works, IT infrastructure, and renovation services, catering to residential, commercial, and industrial needs. Established with the goal of delivering reliable, affordable, and sustainable energy, we have built a strong reputation for quality, innovation, and exceptional after-sales service.

We partner with top brands to ensure our customers get the best-in-class technology. Our expertise lies in providing end-to-end solutions—from consultation and installation to maintenance, IT support, renovation, and long-term support.

With a growing network of satisfied clients and partners, Roy Enterprises is not just a supplier—it's a long-term energy, security, IT, and renovation partner for your growth.

Our Mission

To empower homes, businesses, and industries with energy, IT, security, and renovation solutions that are:

- Sustainable 🌱
- Reliable ⚡
- Cost-effective 💰
- Secure 🔒
- Future-ready 🚀

Our Vision

To be recognized as a national leader in energy efficiency, renewable power, IT solutions, security, solar solutions, and renovation services, helping India move toward a green, self-reliant, and secure future.

Our Core Values

1. Integrity – Building trust with transparency and honesty.
2. Customer First – Understanding client needs and delivering tailored solutions.
3. Excellence – Ensuring premium quality in every product and service.
4. Innovation – Adopting modern technologies for sustainable growth and security.
5. Commitment – Long-term partnerships through reliable after-sales service

Our Products & Services

Power Backup Solutions

- Online UPS Systems (for offices, hospitals, industries)
- Servo Stabilizers (for voltage protection)
- Inverters & Batteries (for homes, shops & businesses)
- Customized backup solutions for sensitive equipment

Solar Energy Solutions

- Solar Rooftop Systems (residential & commercial)
- Large-scale solar installations for factories, schools, and institutions
- Solutions under Government schemes (PM Surya Ghar Yojana)
- Hybrid solar systems for uninterrupted power

Solar Lights

- Solar Garden Lights (for landscaping and outdoor spaces)
- Solar Street Lights (for roads, highways, and public areas)
- Solar Flood Lights (for commercial and industrial sites)
- Solar Lanterns & Decorative Lights (for homes, gardens, and events)
- Solar-Powered LED Lights (energy-efficient lighting solutions)

Commercial Energy Solutions

Power and solar solutions for:

- Schools & Colleges
- Malls & Shopping Complexes
- Hotels & Resorts
- Hospitals & Clinics
- Cold Storage & Factories
- Aata Chakki & Small Industries

Installation & Maintenance

- Professional installation services by expert engineers
- Preventive maintenance & service contracts

- Quick response for breakdown support
- Regular health check-ups for long equipment life

Security Solutions

- CCTV Surveillance Systems (for homes, offices, and industries)
- Access Control Systems (for secure entry)
- Alarm & Intruder Detection Systems (for enhanced security)
- Fire Alarm Systems (for safety and compliance)
- Biometric Systems (for time attendance and access control)

We offer integrated security solutions that ensure comprehensive protection for your premises, leveraging advanced technology to provide reliable, scalable, and easy-to-manage security systems.

Passive Works

- Energy-Efficient Building Design (reducing energy consumption)
- Insulation Solutions (for temperature control and efficiency)
- Natural Lighting Systems (using sunlight to reduce energy dependence)
- Heat Recovery Ventilation Systems (for optimized air quality and energy efficiency)
- Sustainable Architecture (promoting green building standards)

We integrate passive solutions to make your buildings energy-efficient and environmentally friendly, ensuring long-term savings and sustainability.

Renovation Works

- Residential Renovations: Home makeovers, interior design, and space optimization.
- Commercial Renovations: Office spaces, shops, and restaurants with modern designs.
- Industrial Renovations: Factory and warehouse refurbishment to enhance operational efficiency.
- Eco-friendly Renovation: Upgrading structures with energy-efficient solutions and sustainable materials.
- Structural Repairs: Addressing wear and tear, foundational issues, and building stability.

We specialize in transforming old spaces into functional, aesthetic, and energy-efficient environments, giving you value for your investment and a more sustainable future.

IT Solutions

- **Networking Solutions:** Providing end-to-end networking solutions including LAN, WAN, and wireless systems for businesses and institutions.
- **IT Infrastructure:** Design, installation, and maintenance of server rooms, data centers, and cloud infrastructure.
- **Software Solutions:** Custom software development for business management, data analysis, and process automation.
- **IT Support & Managed Services:** Offering ongoing technical support, helpdesk services, and managed IT services to ensure smooth operations.
- **Cybersecurity:** Protection against online threats, data breaches, and ensuring secure systems through firewalls, anti-virus, and backup solutions.

We deliver complete IT solutions, from hardware and software installations to ongoing support, helping businesses improve their technology infrastructure and optimize operations.

Our Approach

SITES STUDY

We begin by analyzing customer challenges to identify pain points and requirements.

INSTALLATION

We deploy customized solutions to achieve specific business objectives efficiently.

MAINTENANCE

We monitor and maintain equipment to enhance efficiency and optimize business performance.

SOLUTIONS

We transform customer needs into a well-defined action plan for effective execution.

SERVICES

We ensure seamless operation with prompt support and expert assistance.

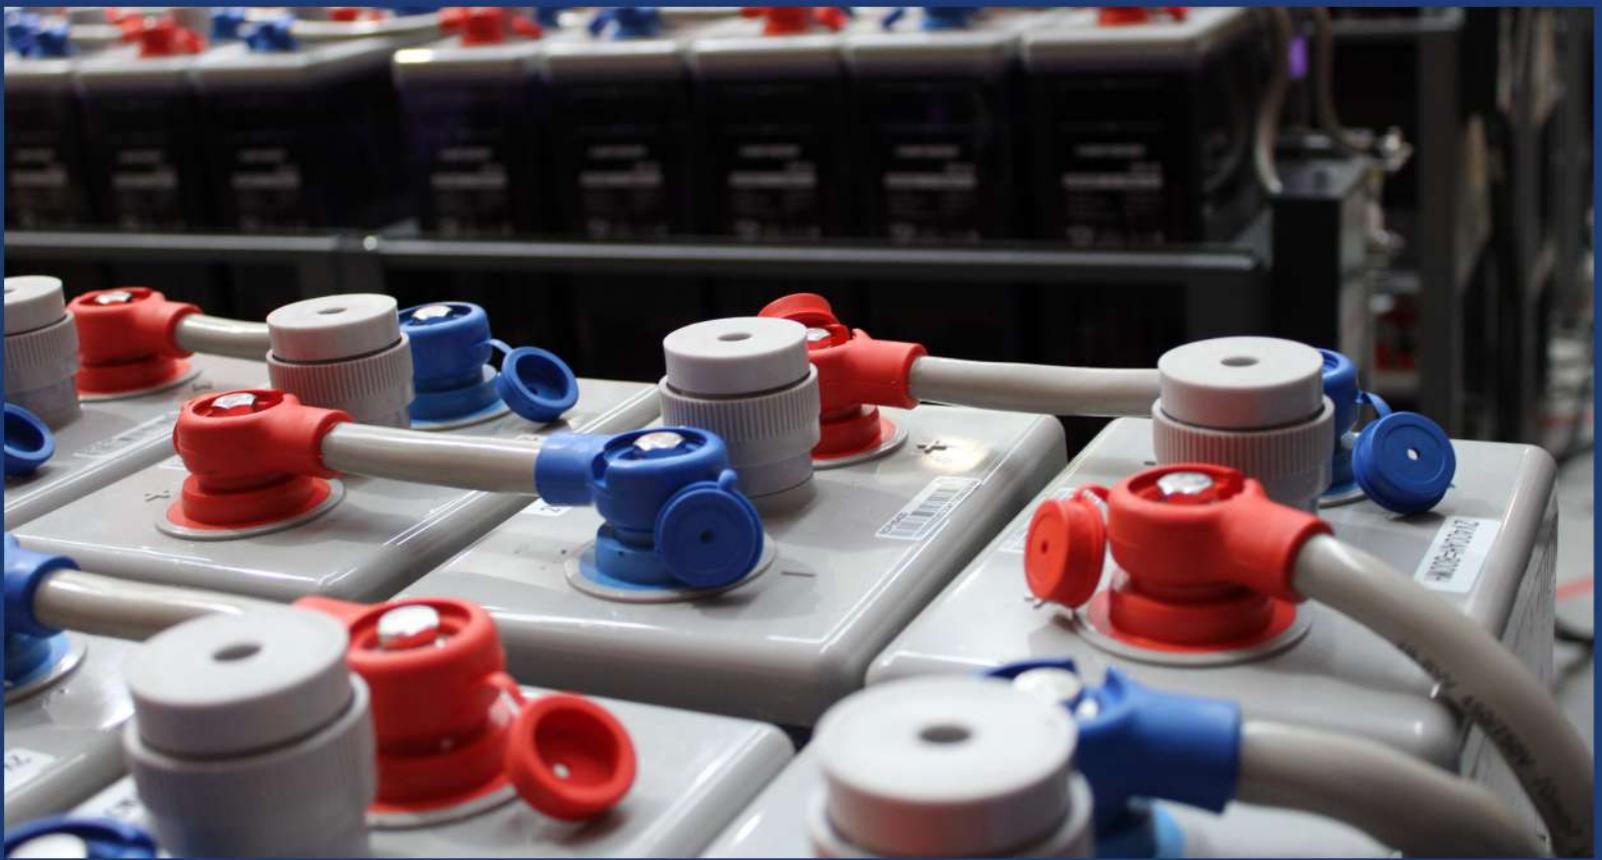

Some of Our Valued Customers
